*"I never reply to the question, What is your favorite wine?
There is no such thing, or rather, there are so many, depending on my state of mind, on the place
where I am, or whom I'm with. From this point of view, wine is like a piece of music, it is a piece of
music. Thirst doesn't drive me to wine, pleasure does."*

*"In Europe we thought of wine as something as healthy and normal as food and also a great giver of happiness and well being and delight. Drinking wine was not a snobbism nor a sign of sophistication nor a cult; it was as natural as eating and to me as necessary."
- Ernest Hemingway*

**WINNER OF
WINE SPECTATOR'S
AWARD FOR EXCELLENCE**

*"We hear of the conversion of water into wine at the marriage of Cana as of a miracle,
but this conversion is, through the goodness of God, made everyday before our eyes.*

*Behold the rain, which descends from heaven upon our vineyards,
and which incorporates itself with the grapes, to be changed into wine;
a constant proof that God loves us, and loves to see us happy."*

- Benjamin Franklin
